A large, semi-transparent calendar grid is overlaid on a background image of a helicopter on a ship's deck. The grid consists of 7 columns and 10 rows. The first row contains the days of the week: 'Zeit', 'Mo', 'Di', 'Mi', 'Do', 'Fr', and 'Sonstiges'. The remaining 9 rows are empty, with horizontal lines for writing. The background image shows a grey helicopter on a dark deck with white markings. Several crew members in blue uniforms and helmets are visible around the helicopter. The sea and sky are visible in the background.
